## How luxurious can an Austin 850 get?

Most people are very nicely satisfied thank you with any Austin 850. Others want even more. The new Austin Super 850 has been designed for them. It's got everything any other Austin 850's got. And it's got much more. **INSIDE** New duotone trim. Sound insulation. Fuller cushions. Thick new carpets. New oval-shaped instrument panel. And many many more extras. **OUT** New duotone palette of brilliant colours. New fine-mesh grille. It's altogether a gayer, brighter car.

## Even faster than the Super 850!

The new Austin Seven Cooper, created by Austin and John Cooper together, can do over 85 m.p.h. on the flat. It is tuned for competitions. It's got a bigger engine (948 c.c.), increased compression ratio, twin carburetors with special air-cleaners, disc brakes on the front wheels. Plus all the other luxuries of the Austin Super 850.
